

Amendment #1\*\*

**Amendment to H.R. 1503**  
**Offered by Ms. Herrell**

Strike all of Section 14 and insert the following:

**SEC. 14. FRACKING REGULATION.**

- (a) IN GENERAL.—States shall maintain primacy for the regulation of hydraulic fracturing for oil and natural gas production on State and Private lands and the President shall not declare a moratorium on the use of hydraulic fracturing on Federal Lands (including the Outer Continental Shelf), State lands, private lands, or lands held in trust for an Indian Tribe unless such moratorium is authorized by an Act of Congress.
